INTRODUCTION

This Rule 13e-3 Transaction Statement on Schedule 13E-3 is filed by Pendrell Corporation, a Washington corporation (the “*Company*”) on November 1, 2017 to amend the prior Schedule 13E-3 filed on September 22, 2017 (the “*Schedule 13E-3*”), which described a proposed reverse stock split that will allow the Company to terminate the registration of shares of its Class A common stock, \$0.01 par value per share (the “*Class A Stock*”) under the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”). At the Company’s annual meeting of shareholders on June 14, 2017, the Company’s shareholders of record approved, subject to final action by the Company’s Board of Directors (our “*Board*”), an amendment to the Company’s Articles of Incorporation to effect a 1-for-100 reverse stock split of the Company’s common stock (the “*Reverse Stock Split*”), as a result of which each shareholder owning of record fewer than 100 shares of common stock before the Reverse Stock Split will have such shares cancelled and converted into the right to receive a cash payment equal to the greater of \$6.55 per share (the “*Floor Price*”) or the average closing price of the Class A Stock for the twenty trading days preceding the effective date of the Reverse Stock Split (the “*Pricing Window*”) in lieu of receiving a fractional share. If the Reverse Stock Split occurs on November 30, 2017 as currently scheduled, the Pricing Window will begin on November 1, 2017.

On October 31, 2017, the Board clarified that the average trading price during the Pricing Window will be the weighted average of the closing prices of the Class A Stock on the twenty trading days preceding the Reverse Stock Split, determined by (i) multiplying each day’s reported closing price by the number of shares traded on NASDAQ during such day, (ii) summing the total of the daily multiples, and (iii) dividing by the total number of shares traded on NASDAQ during the Pricing Window. Also on October 31, 2017, the Board recognized that the current Floor Price is equal to the price paid by the Company to purchase Class A common stock from a significant shareholder in March 2017, and that the Company more recently purchased 200,000 shares of Class A common stock from another significant shareholder at a price of \$6.73 per share. The Board therefore amended the terms of the Reverse Stock Split to increase the Floor Price from \$6.55 per cancelled share to \$6.73 per cancelled share.

Capitalized terms used and not otherwise defined in this Amendment No. 5 to Schedule 13E-3 have the meanings ascribed to such terms in the Schedule 13E-3. Information contained in (i) the Company’s amended definitive proxy statement filed on Schedule 14A filed on May 22, 2017, (ii) the Company’s Annual Report on Form 10-K for the year ended December 31, 2016, which was filed by the Company on March 15, 2017, and (iii) the Company’s quarterly reports on Form 10-Q filed by the Company on April 28, 2017, July 28, 2017 and October 25, 2017 is incorporated into this Schedule 13E-3 by reference (the “*Prior Filings*”).
